Dear Mr Graham

This is to advise you that I lodged the following Notice of Motion in Parliament on 7 August 2008.

H V Ross Robertson to move, That this House congratulate Christchurch-based software development company Concept Engineering, which has signed a deal with an Irish aged-care facility for its Village Care System (Vcare), a comprehensive information technology solution to manage retirement villages and currently used in caring for over 12,000 New Zealand retiree village residents.

It is my way of informing the House of your achievements.

Congratulations and well done.

Yours sincerely
